

1. Fluid Cooling Systems

Example of 6X6 & 8X8 wheeled armoured vehicle complete cooling module, tested and approved at 55degC ambient temperature, incorporating :-

- Hydraulically driven cooling fans (x2)
- Steering oil cooler
- Fuel cooler
- Hydraulic leakage oil cooler
- Differential oil coolers (x3)
- Hydraulic oil cooler
- Transfer case oil cooler
- Charge air cooler
- Radiator
- Condensers (x2)
- Framework & interfaces
